Greetings!

Thank you so much for making my first year with English At Large such a wonderful experience. I am so grateful to be part of a community of talented, committed and truly special people who teach skills, bring hope, and share friendship with others every day. It is your spirit of giving that makes a difference for hundreds of local immigrants all year.

I look forward to continuing our work together in 2018!

Best wishes for the happiest of holidays,
Maureen
