Dear Friends,

Your support of English At Large empowers our volunteers and staff to help hundreds of local immigrants achieve their life goals and full potential in the United States. Today, you have the opportunity to make your gift go even further. A generous challenge grant from the Lenny Zakim Fund will **match your gift, dollar for dollar, to double your donation.**

Your donation to our Spring Fundraising Campaign will be matched if:

- **You increase your annual gift to English At Large;** every dollar above your previous annual gift will be matched!
- **You renew your giving to English At Large;** if you have not donated in 12 months or more, every dollar of your donation will be matched!

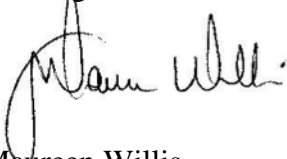

Your donations to EAL have made life-changing differences for EAL learners, helping them secure meaningful employment, prepare for new education or job training programs, access community resources for themselves and their children, and begin a path to citizenship

More than 150 immigrants are on our waiting list for trained EAL tutors and we support weekly beginner English classes, career access training, and conversation groups for hundreds of others. With the Lenny Zakim Fund matching gift, your \$200 increase over last year's donation becomes \$400 to support free English language programs in your community. Or, if you haven't donated in the past year for any reason, your \$100 gift doubles to \$200 to support productive new lives for local immigrants. Every dollar brings us closer to our goal of raising **\$5,000 in new revenue** during our Spring Fundraising Campaign. **Accept this challenge and make your gift today!**

Your contributions not only support vital services and speed assimilation for individuals, but also build relationships that strengthen our entire community. Please make this important investment today.

Thank you for your support of English At Large.

Best regards,

Maureen Willis
