Greetings!

I hope you have enjoyed this wonderful summer!

We have been very busy and productive this summer supporting our ongoing programs and planning for fall groups and volunteer events.

In the coming weeks we will be training a new group of volunteer tutors, who will provide individual instruction to local immigrants who cannot attend a classroom-based program. We will be matching these new volunteers as well as up to 20 veteran tutors with local learners who have been waiting at least one year to enroll in service. In the coming year these volunteers will provide more than 4,000 hours of tutoring to 130 learners. ***The impact of this service is life-changing.***

In addition to our program volunteers, we have dozens of other local, committed people who donate their time and talents to assist us with program planning, administration, and in leading our mission as members of our board and its committees. I am excited to introduce you to a few people who have worked behind the scenes to support our mission in service to hundreds of local English language learners.

If you have ever considered working more closely with us, now is the time! I invite you to check out our list of volunteer openings promoted in this newsletter. As always, please contact me directly with any questions. I look forward to meeting you!

Thank you for making a difference for hundreds of immigrants in your community.

Best regards,
Maureen

Introducing Our Summer Interns

Thank you, Laura and Laura, for your great work and community spirit. We will miss you!

Recognizing our Leadership

We wish to acknowledge the leadership and community spirit of one of our board members, who recently stepped down after 8 years of service. Thank you, Coley Carden, for your commitment and contributions to the advancement of local immigrants.
