ENGLISHATLARGE

Greetings!

Happy Fall! I hope you have found time to enjoy the beautiful colors, smells and tastes of the season.

I cannot thank you enough for taking the time to support English At Large. Looking back over the past year, **it is amazing what your involvement has helped to achieve.**

This month, we celebrate challenges met that keep our programs available now, and also look forward with excitement to a new project that will help us chart a sustainable path for the future. **You have made all this possible.**

I hope you know that you are our champion! Your interest, involvement and support of EAL makes a life-changing difference for local immigrants **right now in your community.** **You also inspire others** to contribute their time, talents and resources to support these very local efforts.

Thank you for making such a wonderful difference for others.

Best regards,
Maureen

Maureen Willis, Executive Director

**Thank you for helping us meet the
Lenny Zakim Fund Challenge!**

In just 8 months, your support helped to raise more than \$5,000 in new revenues and meet our goal!

In total

- 16 individuals increased their annual support
- 17 individuals made a donation for the first time
- 9 individuals renewed their support after a lapse in giving

These generous contributions will be matched **dollar for dollar**, by the [Lenny Zakim Fund](#) to double the impact of each gift!

Thanks to our donors for this amazing achievement!

Thank you Lenny Zakim Fund for believing in the potential of our learners and supporters!

Looking Ahead

We are pleased to announce that we have been selected to work with two MBA candidates from the Harvard Business School through the Consulting for Impact Program.

We look forward to sharing updates on this project that will help chart our strategic direction in the future.
