Greetings!

Can you believe that October begins next week?

September has been a whirlwind of activity! Almost 300 local immigrants are participating in our Fall Conversation Groups, registration for Beginner English at Tufts and Brandeis will begin in the coming weeks, and we are in the process of introducing 30 new learners to their volunteer tutors. **Your support makes all this possible.**

Are you highly-engaged and connected in your community? We are currently recruiting volunteers to serve as [Community Ambassadors](#). In this role, you will be the *eyes and ears on the ground* for EAL, letting us know what is happening in your community so that we can participate. This position was designed to help us promote our good work across our service area. Will you help?

We also have an opening on our staff, and are reviewing resumes on a rolling basis. If you or someone you know is a highly-organized people person with great database skills, this could be our next [Programs and Database Manager](#). Email me directly to find out more.

Thank you for making a difference for hundreds of immigrants in your community.

Best regards,
Maureen
