Greetings!

If you follow us on social media (and I hope you do!) you must have seen previews of our some of the amazing items up for bid in the EAL Online Auction - A Bid for Literacy!

Well, the wait is over -

**The EAL Online Auction is now open!**

**[Bid now to support life-changing services for local immigrants!](#)**

Your high bid will not only help provide vital resources for EAL programs - you will also be in the running for some really great items.

This year's Auction is one of our most exciting yet! The catalog features concert, sporting event and amusement park tickets, restaurant and store gift cards, unique packages and more - truly something for everyone.

Special thanks to our Auction Committee and our Board, for their efforts to secure the donation of such wonderful items for our Auction. **[You can join me in thanking them by bidding high to support community services!](#)**

Together, you make an important difference for immigrants in your community. Thank you for your continued support of English At Large.

Best regards,
