Greetings!

Is it too late to say Happy New Year? I hope not, as it is a wonderful greeting full of optimism and friendship - feelings we embrace here at EAL!

Here is what your commitment to EAL is helping to support in 2019:

- Spring Conversation groups are rolling out, with more than 300 learners enrolled in 24 groups across our service area
- CAL's 15-week Career Groups have just begun, with 11 local learners enrolled, working to gain skills to advance their career opportunities
- Beginner English will resume in early February in Waltham and Medford, through our partnerships with Brandeis and Tufts Universities
- Also in February a new Tutor Training Series will begin; these volunteers will be ready to meet their learners in March

You are helping local English language learners build skills, and through your support, helping to build stronger communities.

Because of you, hundreds of local immigrants are looking forward to a great new year!

Thank for your making such an important difference through your support of English At Large.

Best regards,
Maureen
