

Learner Self Evaluation

(to be completed monthly)

Today's Date: _____ / _____ / _____
day month year

1.) What things did you expect to learn with your tutor this month?

2.) What things did you actually learn with your tutor?

3.) Compare what you actually learned to your expectations. How well did you meet your initial expectations?

4.) Did you exceed or do less than was expected by your tutor or yourself?

5.) Describe two successes that you had while learning and using English this month. How did you feel with each success?

6.) Describe two challenges that you had this month while learning and using English. How did you handle these challenges?

7.) List the major skills that you worked on with your tutor this month. How have these skills served you in daily life? How comfortable are you now when reading, writing, speaking, or listening to English?

8.) Have your attitudes or feelings about learning the English language changed? How?

9.) Given your experience this month, what do you hope to accomplish next month?
