

ENGLISHATLARGE

Greetings!

I hope you have had the opportunity to enjoy this beautiful fall!

Here at EAL, our programs are in full swing! Our Beginner English and Conversation Groups are enrolled to capacity, and **16 new volunteers** have recently completed their tutor training and are being matched with learners from our waitlist.

AmeriCorps Member Joe Ronca has started visiting our Conversation Groups to introduce the **CAL Program** to these learners, and will be conducting in-person interviews to build the next cohort for the Career Groups which will start in January 2020.

We have launched a new program, **Workplace English**, to address the needs of small businesses who want to offer on-site English classes for their employees.

Your interest and support of English At Large makes all this possible. Our **Program Report 2019** shows the impact you are having, and the difference you are making in your community!

Thank you for being a champion for the learners we serve.

Your support makes all the difference.

Best regards,
Maureen
