

English At Large Thanks Volunteers

For Immediate Release

English at Large (EAL) is a nonprofit organization that provides individual and small group instruction through a volunteer network to adult immigrants who want to acquire English language skills as they adapt to life in the United States. Our volunteers bring this mission to life with 225 local residents donating more than 7,000 hours of service each year to support our learners, the organization, and our staff. Their caring and commitment empowers more than 400 English language learners in 21 local communities to develop the skills, networks and confidence they need to reach their full potential and achieve their life goals.

Volunteer Appreciation Week is a celebration of those who take action to make the world a better place. We are proud to honor and thank our volunteer Tutors, Conversation Group Facilitators, Book Group Leaders, Career Access Lab Facilitators and Mentors, Intake Assessors, and Testers, and Members of our Board and Committees, as well as our program, event and office volunteers. Your efforts, as EAL volunteers, help make our communities safe, welcoming and supportive places for all people to live and work. Your investment in the potential of our learners makes a real difference every day!

We invite the community to join us in acknowledging the efforts to these wonderful volunteers:
