

English At Large - 2021 Summer Internship Job Description

Overview

English At Large (EAL) is a nonprofit that provides individual and small group instruction through a volunteer network to adult immigrants who want to acquire English language skills as they adapt to life in the United States. Our vision is that newcomers to the United States will acquire the English language skills and cultural knowledge they need to fully engage in their communities and fulfill their life goals.

EAL has a full-time staff of three, hosts one AmeriCorps member, and depends on the efforts of more than 200 volunteers who carry out our mission in service to more than 400 learners each year. Through our One-to-One Tutoring Program, Conversation Groups, Career Access Lab and Beginner English classes, EAL helps newcomers acquire the skills, confidence and community connections they need to reach their full potential.

EAL will accept 2 university students for our 2021 summer internship program. This year's program will offer a virtual experience for selected candidates, who will be expected to follow a set schedule and be available 4-5 hours per day, two days each week from early June to mid-August.
