

## ENGLISHATLARGE

Greetings!

This holiday season we have so much to celebrate!

We are **thankful** for the continued support of our communities.

We are **inspired** by the tremendous efforts of our volunteers, our local partners and many others, who take action to protect and support immigrants as our neighbors and friends.

We are **hopeful** that 2021 will see us coming together to learn, collaborate and celebrate together again.

You give us reason to celebrate this holiday season. **We are grateful for all we have achieved together!**

**Today, on #GIVINGTUESDAY, I invite you to join our caring community with a contribution that makes a difference for your immigrant neighbors.**

Thank you for staying connected, and for making a difference, through your support of English At Large.

I hope you, your loved ones and your families have the Happiest of Holidays!

Best regards,  
Maureen

Massachusetts FY2021 Budget Update

THANK YOU  
for making a difference!

Senator Cindy Friedman continues to be a champion for local immigrants, as sponsor of the budget amendment to secure an earmark for EAL.

Special thanks to Senator Jamie Eldridge for signing on as co-sponsor.

Your calls to your State Senators helped secure the support needed to get

this amendment included in the final Senate budget.

**YOUR EFFORTS EMPOWER AND SUPPORT HUNDREDS OF LOCAL IMMIGRANTS ON THEIR JOURNEY TO A BETTER LIFE!**

## FOUNDATION FOR METROWEST

Our partner in sustaining services during COVID-19

FOUNDATION FOR METROWEST

We are proud and grateful to receive a \$10,000 grant through the 2020 COVID Relief Grant Program. This generous support ensures that local immigrants will continue to have access to high-quality virtual programs during COVID-19.

## EAL VOLUNTEERS

Dedication and Determination in Action!

Today, 75% of our volunteers continue to actively volunteer with EAL during COVID-19, including 6 brand new tutors who are meeting with their learners for the first time online.

Thank you for stepping up and stepping outside your comfort zone to learn the techniques and technology you need to be truly wonderful and effective instructors.

**YOU ARE AN INSPIRATION AND A GIFT TO YOUR COMMUNITY!**

Do you know someone with a commercial real estate need? Support English

At Large by making a referral to Cummings Properties.

As a proud recipient of a *Cummings Foundation Sustaining Grant*, EAL has the opportunity to earn additional contributions through an exciting referral program that gifts half of the first year's rent back to EAL! (terms and conditions apply)

If your business is looking to make a move, let us know to ensure EAL gets credit for the referral!
