Greetings!

Happy New Year! We are looking forward with hope to the promise of a great year for us all.

After a well-deserved break, EAL staff and volunteers are gearing up for our spring programs. Our Career Access Lab program kicked off this week with 2 cohorts fully enrolled. Conversation Groups and Beginner English Classes resume next week, and will continue to meet online through May. Across our service area, 39 learners are meeting virtually each week with their volunteer tutors, working to acquire the skills they need for a better life. *Your interest and support make all this possible.*

Your commitment to English At Large is fully matched by the dedication, determination and resiliency of our learners and volunteers.

Together, you are making our communities stronger, while helping our immigrant friends and neighbors realize their dreams and attain their life goals.

I cannot think of a more positive way to start this New Year.

Thank you for inspiring and supporting this success, and for making a difference, through your commitment to English At Large.

Best regards,
Maureen
