This year, your involvement made all the difference...

2018 was one of the most challenging in our history. The loss of our state contract threatened our ability to continue to deliver services and our very existence as an organization.

YOU MADE ALL THE DIFFERENCE

YOU chose to increase your donation or to donate for the first time

YOU added your voice to our cause, making hundreds of calls to your state legislators

BECAUSE OF YOU

Individual giving increased by more than 25%

Our State Legislators acted to secure state funding

Hundreds of local immigrants will continue to receive life-changing services that teach English, build community and support their success

Thank you for being our hero

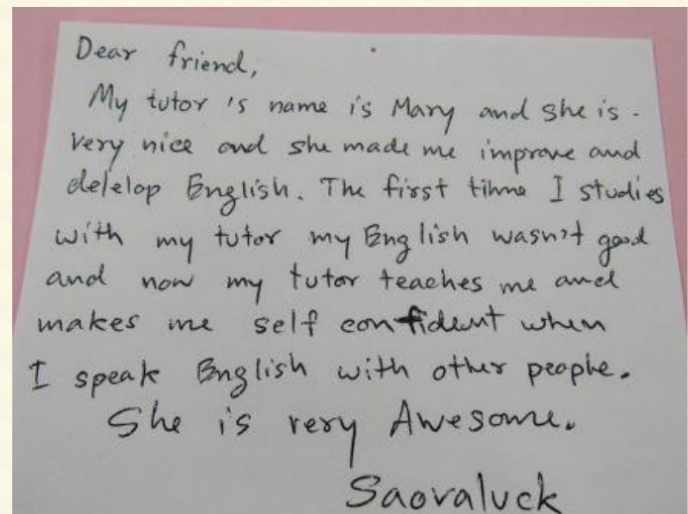

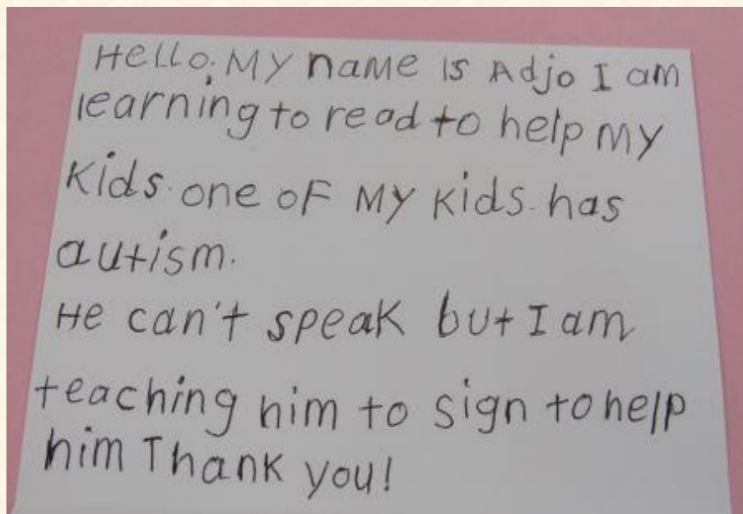

Richard Conboy
1954-2018

Richard's legacy of caring service as an English At Large tutor inspired more than \$4,000 in tribute gifts.

Standing with us to face our funding challenges, a grant from The Zakim Fund helped us secure \$10,000 in new revenues this year

Thank you for believing in the potential of our learners
