Greetings!

The fall months seem to fly by!

With November right around the corner, the holidays will soon be here. I hope you are looking forward to celebrations with family and friends.

This month there much I want to share with you.

First, I want to introduce you to this year's **AmeriCorps Member**, Julia Mason. We are proud to partner with the [New American Integration Program](#) to provide Julia the opportunity to build skills while supporting the success of local immigrants through her service.

Our annual **Volunteer Development Conference** remains virtual this year, offering live trainings and networking events for EAL volunteers November 1st through 5th.

EAL's newest program, **Caregiver English**, is now enrolling; the fall session is set to begin on November 8th.

And finally, to sustain our programs, our **Fall Appeal** mailing will be going out in just a few weeks, and we have already started soliciting items for the **EAL Online Auction**, set to run February 28 to March 7, 2022.

The success of our fundraising efforts sustains our programs, making a difference for hundreds of local immigrants as they work towards their goals to achieve their American dream.

Your support is vital to this success.

**Thank you for your continued interest and important contributions to English At Large.**

Best regards,  
Maureen
