

ENGLISHATLARGE

Greetings!

We are back in the office, and have hit the ground running, preparing for a return to in-person instruction for our Tutoring Program, beginning in April.

It has been so exciting to host the new tutor training in our office, to welcome back our office volunteers, and to be looking forward to April, and our celebrations in honor of Volunteer Appreciation Week. We hope to see everyone very soon!

Now recruiting: Volunteers to help guide the future of English At Large!

Have you ever thought of joining a nonprofit board? We are actively recruiting new people to join us as committee and board members to provide the leadership we need to support the organization and help guide our plans for future growth. *Read on to see your invitation to our Community Meet & Greet.*

Our 2022 Online Auction *A Bid for Literacy* was an amazing success, raising almost \$10,000 to support EAL programs. This was truly a rebound year for our largest community event, and your support made all the difference!

Spring is finally here, and we really have so much to celebrate!

Thank you for your continued commitment to English At Large.

Best regards,
Maureen

A Statement on the War in Ukraine

Our thoughts and our hearts go out to the brave and noble people of Ukraine, and their fight to preserve their democratic freedoms and their way of life.

We are in awe of their courage and their fortitude. We stand in support of our immigrant neighbors and friends of Ukrainian and Russian descent as we all watch helplessly and hope for a peaceful resolution and an end to the war.

Special Thanks to our Auction Leadership Donors

Please join us in applauding the leadership support of these Auction donors, whose contributions to our catalog and financial support helped ensure its success!
