Dear English,

Happy February!

This month brings the welcome return of noticeably longer days - and hope that warmer weather isn't far behind! I hope you are well and feel energized as spring approaches.

February also marks the launch of our **Spring Conversation Groups** with more than 300 learners enrolled, and the beginning of the **Career Access Lab's** 2nd cohort. Save the date for CAL's annual Networking Event (details below)!

A new match cycle begins soon, which we expect will move more than 20 learners off our tutoring waitlist. Read on to see how you can help us market our **Tutoring Program** - and connect us with local learners most in need of this important service!

Our 2024 Annual Online Auction opens Monday! This year's catalog features many, many places to go, things to do and must-have tickets to events and excursions. I invite you to [bookmark this page](#) and BID HIGH to help support our free programs in local communities!

Thank you for your continued interest and support - **YOU are making a difference for local adult English learners working towards a better life.**

Best regards,
Maureen
