

Greetings!

It's our favorite week of the year -
National Volunteer Appreciation Week!

We are so pleased to have this opportunity to honor the service and commitment of hundreds of local people who make our work possible and bring our mission to life!

This year especially, their service has been a lifeline for local immigrants with limited English skills, giving them the knowledge and support they need to provide for themselves and their families during COVID-19.

Join us by thanking your friends and neighbors for their caring service! Check your local papers and media outlets for our thank you messages for EAL volunteers in your community.

To our wonderful volunteers:

Thank you! For stepping up and often well outside your comfort zone to learn the tools and technology you needed to deliver high-quality instructional programs in a virtual world.

You are the heart of our mission, and your service makes our world a better place for all people.

We hope to see you at one of our **Volunteer Pop-Up Drive Through Events** this week!

Best regards,
Maureen
