# Your contributions keep life-changing services available in your community

"I really appreciate your help to learn and understand a new language and a beautiful culture."  
~ Mathilde, a learner from Waltham

"It has been life-changing to be able to communicate with other people in English after living in the U.S. for more than 10 years without speaking English."  
~Maria, a learner from Lexington

"Thank you for your great help in helping me integrating in the United States. I learned a lot from you and I now feel more confident in facing this new challenging adventure in the U.S."  
~ Roby, a learner from Bedford

"Thank you to the whole English At Large team for the great help in improving my English and make me feel more integrated in the American world."  
~ Roberta, a learner from Acton

## Services delivered by local volunteers in 21 communities in Middlesex County

# Working together to meet local needs

- 130,000 adult immigrants in our service area speak English less than very well
- 10,000 adults in Massachusetts remain on waitlists for English language programs
- 200 adults are on the EAL waitlist for Tutoring
- 65% of our learners have advanced degrees
- 60% of our learners have a household income less than \$30,000
- 40% of our learners are Beginner English speakers
- 38% of our learners are employed, most at positions below their professional credentials
