Our learners benefit from a large network of volunteers and community partners in Greater Boston committed to their success.

We envision a world in which all people have the skills, knowledge, and confidence they need to take advantage of opportunity, enrich their communities, and achieve their life goals.

"It was my great pleasure to know [my learner] and work with her. Even though she has a very busy life, she gave 100% to every class. Her enthusiasm, kindness and humor made my job easy."
