ENGLISHATLARGE

Greetings!

Time seems to be flying by!

Our fall Conversation Groups are in full swing, 10 new volunteer tutors are finishing up their training, and Beginner English classes are underway at Tufts University in Medford. In total, more than 200 local learners are engaged in EAL programs, gaining the skills and confidence they need to achieve their life goals.

This is only made possible through your interest and support!

In the coming weeks we will be out in our communities, participating in the first-ever [LexDoingGood](#) event in Lexington, and hosting an Introduction to the Community Event in Andover. **Join us!**

Our Annual Volunteer Conference is set for early November, offering a full day of professional development and networking opportunities for our volunteers. This highly anticipated event is being offered in partnership with [SABES](#), and features high quality trainings by experts in the field. **EAL volunteers, if you haven't already, register today to secure your spot!**

With Thanksgiving quickly approaching, I invite you to stop by the [Stop & Shop in Reading](#) to get your reusable bag - and support English At Large!

Read on for a few more important "Save the Dates" and **put your plans to support for EAL on your calendar today!**

We are grateful to be part of such a caring, welcoming community.

Thank you for your continued commitment to English At Large.

Best regards,
Maureen
